## Application Announcement

**POSITION:** Apprentice Electrician (Inside Wiring) **STARTING WAGE:** \$17.80 Hr.

Five-year apprenticeship program. Apprentices work during the day (paid employment) and attend classes during day and evenings. A Journeyman certificate is awarded upon successful completion.

**DUTIES:** The apprentice works directly under the supervision of a qualified Journeyman Electrician in installing or maintaining a variety of approved wiring methods for distribution of electrical light, heat, power, radio and signaling utilization systems. The work is performed in existing or new residential, commercial and industrial buildings and includes street and highway lighting, traffic signal and other outdoor above and below grade installations. The trade requires considerable physical effort on the part of the apprentice to do lifting, climbing, crouching and working in cramped areas.

**BOOK COSTS:** Approximately \$450 for the first year **TOOL COSTS:** Approximately \$500

### **MINIMUM REQUIREMENTS TO APPLY:**

- Must be at least 18 years of age at the time of application, with photo I.D. such as a drivers license or identification card issued by the D.M.V. Must have a valid drivers license at time of indenture.
- Must be able to perform the work of the trade.
- Must be a high school graduate or have a GED. In lieu of a high school diploma or GED may have a two year Associate Degree or higher.
- Must show evidence of successful completion of: one full credit of high school algebra with a passing grade of "C" or better, or one post high school algebra course (e.g. Adult Education, Continuing Education, Community College, etc.) with a passing grade of "C" or better, or provide evidence of having successfully completed the NJATC Math Course (available on line at [www.njatc.org](http://www.njatc.org)).

Pre-Algebra does not meet this requirement.
