**MORE THAN A JOB...
A CAREER!**

INSTRUCTOR: Jimmy Peterson

OSHA-10/30 Certification: Master workplace safety in this 10-hour & 30-hour course for entry-level workers. Covering hazard recognition, fall protection, PPE, and more, it's taught by certified instructors. Ideal for construction and general industry, participants gain skills to ensure safer workplaces. Upon successful completion, receive an OSHA-10 card by mail, validating compliance and commitment to safety. The OSHA-30 course will continue after the OSHA-10 course concludes.

10/30 C.E HOURS

* PLEASE NOTE:

All classes require a valid email address to participate; class confirmation will be emailed to student; student must attend all classes for hours/credits; valid dues receipt required for all classes, no exception; priority on classes will be given to 595 working members first.
