

LEVEL UP FOREMAN'S DEVELOPMENT SERIES

The **Foreman's Development Series (FDS)** consists of individual modules where foremen and journeymen will have the opportunity to participate in an interactive learning atmosphere of teaching and discussion focused on industry "best practices." The rigorous and robust multi-lesson educational series is designed to educate, excite, and expand one's knowledge. Participants will earn continuing education hours towards state certification while strengthening skill sets and learning from highly trained subject matter experts.
