**MORE THAN A JOB...
A CAREER!**

Earn your OSHA-compliant Trained and Certified Mobile Elevated Work Platform (MEWP) Operator Card, as required under OSHA 29 CFR 1926 and 1910. This comprehensive training includes a classroom presentation, a written test, and a hands-on skills testing session. Designed for construction and warehouse workers, the course emphasizes safe operation and regulatory compliance. Successful candidates receive a certificate of completion and an operator card, valid for three years, ensuring workplace safety and proficiency.

6 C.E. HOURS

* PLEASE NOTE:

All classes require a valid email address to participate; class confirmation will be emailed to student; student must attend all classes for hours/credits; valid dues receipt required for all classes, no exception; priority on classes will be given to 595 working members first.
